Attended:

Representing GUC: Wayne Hardee, Keith Gaskins, Bill Darty, Cleve Haddock

Representing Altec Industries, Inc.: Matt Rohrbauck

Representing Terex.Utilities: Curtis Schools

### **Following are the items that were discussed during the pre-bid meeting:**

1-pg 7 of 26, BOOM MOUNTED WINCH, to remain as specified.

2- pg 9 & 10 of 26, CURBSIDE COMPARTMENT, Change vertical compartments size from 44" x 46" to 44" x 56" and waterproof storage box from 44" x 24" x 18" to 44" x 14" x 18".

Add, "Compartments and boxes must not interfere with movement/rotation of boom."  
Also, note in minutes that the third position will be the steps, and the third vertical compartment is to the rear of truck.

3-pg 10 of 26, STREET SIDE COMPARTMENTS; Change hot stick compartment size from 110" x 10" x 18" to 110" x 6" x 18".

Add, "Compartments and boxes must not interfere with movement/rotation of boom."

An addendum will be created concerning the above and communicated via email and the GUC web site.
