

SECTION 00009

INVITATION FOR BIDS

**GREENVILLE UTILITIES COMMISSION**

Sealed Bids will be received by the Greenville Utilities Commission (Owner) at its Engineering Center Conference Room located at 801 Mumford Road, Greenville, North Carolina until 2:00 p.m. local time, on January 5, 2012 and thereafter publicly opened and read for construction of the following Project:

Contract 1 – Westside Interceptor and Force Main:

Construction of the Westside Interceptor and Force Main includes the installation of approximately 4,000 linear feet of 21-inch, 1,300 linear feet of 15-inch gravity sewer and 31,600 of 24-inch and 30-inch force main, manholes and associated connections to sewers and manholes, clearing, grubbing, pavement removal, surface restoration, fittings, valves, air valves, and all related and necessary appurtenances as required and the demolition of two pump stations as described in the Specifications and shown on the Drawings.

Contract 2 – Westside Regional Pump Station:

Construction includes furnishing and installing the Westside Regional Pump Station. The Westside Regional Pump Station will be complete with three pumps, along with the associated motors, VFDs, motor control center, power and control wiring, emergency generator, screening structure with mechanical bar screen and screening press, chemical scrubber, HVAC equipment and control and information systems for the pump station, and all piping, valves and associated work described or implied in the Specifications and indicated on the Drawings.

All Bids must be submitted in accordance with the Bidding Documents on the forms provided in the Specifications. Oral, telephone, facsimile, or telegraph Bids are invalid and will not receive consideration.

Plans and Specifications may be examined at the following locations:
