**One Pre-Engineered Constructed Metal Building**  
**RFP# 11-13**

1. The topsoil we strip for the building pad, do we dispose of offsite or can we place on site?

**Answer: The topsoil can be disposed of here on site behind out fence line--I can show you exact location.**

2. The meter building finished floor is less than that of the electric warehouse. Which finished floor elevation do you want us to match?

**Answer: The Electric Warehouse**

3. Do we need to provide your final elevation certificate?

**Answer: Yes**
