

# Let's Cease the Grease

---

**CEASE  
THE  
GREASE**

**G**rease is a real “pain in the drain” because it can clog sewer lines, which can lead to sewer spills. GUC does everything it can to prevent sewer spills, but we can’t do it alone. We need your help!

The best way you can “cease the grease” is to never pour grease (things like oil, butter, margarine, shortening, pan drippings, and sauces) down the drain. Instead, let it cool down, collect it in a container—like a used soup can or mayonnaise jar—and throw it away in the trash.
