

GREENVILLE UTILITIES COMMISSION

NATURAL GAS RATE SCHEDULE N-4

STORAGE SERVICE

I. APPLICABILITY

This rate schedule is applicable, by written contract, to industrial or institutional customers for Natural Gas Storage Service provided the customer's daily gas volume exceeds 30 MCF and the customer qualifies as an industrial customer.

II. CHARACTER OF SERVICE

Deliveries under this rate schedule shall be through a single point of delivery, subject to curtailment or interruption. The heat value of natural gas shall not be less than 1,000 Btu per cubic foot.

III. MONTHLY RATE

- A. Reservation Charge: \$ 1.62 per MCF per month
- B. Daily Demand Charge: \$ 7.25 per MCF per month
- C. Commodity Charge: \$12.55 per MCF

IV. MINIMUM MONTHLY BILL

The minimum monthly bill shall be the monthly charge based on capacity reserved and reservation and demand charges.

V. SPECIAL PROVISIONS

All provisions in the natural gas service agreement signed by the customer are applicable to this rate schedule.

Natural Gas Rate Schedule N-4
Storage Service

VI. GENERAL PROVISIONS

- (a) Natural gas, or its equivalent, having not less than 1,000 British Thermal Units per cubic foot of gas will be supplied at four (4) ounces pressure unless higher pressure is approved by the Commission. Delivery pressure in excess of four (4) ounces shall be corrected to such pressure by volume.
- (b) The rate of charges as stated herein is subject to change by the Commission.
- (c) Gas service supplied hereunder shall be at a single point of metering, unless otherwise provided, and shall not be resold.
- (d) Billing, payments and penalties will be handled in accordance with the Commission's existing policies, or as such practices may be changed or amended.
- (e) The Commission shall install and maintain metering and regulating equipment. The point of delivery shall be the point where the Commission's service pipe crosses the boundary of the Customer's property and the Commission will not be liable to the Customer or any of his agents, servants, or employees, or to any person whomsoever for any loss, damage, or injury to person or property resulting from said gas or its use after it leaves said point of delivery, all risk thereof and therefrom being assumed by the Customer, except when caused by the exclusive negligence or willful acts of employees of the Commission. The Commission's representatives shall have the right of ingress and egress to the Customer's property at any time for any purpose involving the service of gas as provided under this rate schedule.
- (f) Service under this rate schedule is subject to the rules, regulations and tax levies of duly constituted regulatory bodies having jurisdiction over either or both parties.
- (g) The Customer agrees that all appliances, equipment and piping beyond the point of delivery will be installed according to applicable codes and maintained in a safe condition. A violation of this provision shall be grounds for the Commission to immediately discontinue service until the condition is corrected and inspected.

Natural Gas Rate Schedule N-4
Storage Service

- (h) Commission agrees that all piping, meter and regulatory equipment owned by the Commission will be installed according to applicable codes and good practice and maintained in a safe condition.

VII. PAYMENTS

Bills are due when rendered, and subject to a 1% penalty if not paid by the due date. For additional information, refer to Utility Regulations, Part D, Customer Service Policy.

Effective November 1, 2010
Supersedes Schedule dated February 1, 2010
