

QUESTION AND ANSWERS FOR:

14-26, DUE 7/9/14

RFB FOR NATURAL GAS ENGINE DRIVEN GENERATOR

1. Looking over the document package from the website, there is no mention of installation required. Please advise if this is or is not the case. (Installation is not part of this RFB.)
2. Do you have any drawings for this project (specifically a one-line or riser drawing) or just the specifications? (Just the specifications.)
