

**GREENVILLE UTILITIES COMMISSION**  
**GREENVILLE, NORTH CAROLINA**  
**QUESTIONS AND ANSWERS FOR RFQ #17-13 FOR**  
**TOPOGRAPHIC SURVEYING SERVICES**  
**FOR NEW OPERATIONS CENTER**

1. Will the Recombination Plat be recorded prior to the Topographic Survey?  
We anticipate that the recombination plat will be recorded prior to issuance of a Notice to Proceed for the topographic survey.
2. Will GUC have any deeds or maps discovered in the title research to be depicted on the survey?  
Greenville Utilities will provide a copy of the title commitment to the Surveyor. The title information should be shown on the survey.
3. Due to environmental issues on the portion of Tract 2 south of Rock Spring Road, which likely make it unusable, can it be eliminated from the Survey?  
The Statement of Qualifications should be based upon the area included in the Request for Qualifications. The Owner will consider requests to modify the scope during fee negotiations with the selected firm.
