

SECTION 00020

INVITATION TO BID

GREENVILLE UTILITIES COMMISSION
WATER MAIN REHABILITATION PROGRAM

Sealed bids for the construction of the Greenville Utilities Commission Water Main Rehabilitation Program will be received by the Owner, Greenville Utilities Commission, in the Engineering Center Conference Room located at 801 Mumford Road, Greenville, North Carolina, 27835 until 2:00 pm local time Thursday, October 26, 2017. Immediately thereafter the bids will be opened publicly and read aloud. Bids shall be addressed to Greenville Utilities Commission, 801 Mumford Road, Greenville, North Carolina, 27835, and shall be labeled "Bid for Greenville Utilities Commission Water Main Rehabilitation Program". All bids must be made on blank forms provided and included in the bound document. The name, address, and license number of the bidder must be plainly marked thereon. Oral, telephone, facsimile, email or telegraph bids are invalid and will not receive consideration.

Contractors are notified that North Carolina G.S. 87 relating to licensing of contractors will be observed in receiving bids and awarding contracts.

A pre-bid conference will be held at 2:00 pm on Tuesday, October 10, 2017 in the Building A Conference Room located at 801 Mumford Road, Greenville, North Carolina. Representatives of Owner and Engineer will be present to discuss the Project. Engineer will transmit to all prospective Bidders of record such Addenda as Engineer considers necessary in response to questions arising at the conference. Oral statements may not be relied upon and will not be binding or legally effective.

The work includes the replacement and/or rehabilitation of the following reaches:

- Cured-in-place pipe lining and replacement of 6-inch and 8-inch Water Main on East 10th Street from Forbes Street to Elm Street (approximately 4,700 LF)
- Cement mortar lining of 8-inch Water Main on Howell Street from Perkins Street to Beatty Street (approximately 2,150 LF)

The project manual may be inspected at the following locations:

Copies of the project manual and full-size drawings may be obtained from the office of the Engineer, upon a non-refundable payment of \$100.00 for each set of documents in cash or check (add \$30 for shipping costs if the plans are not picked up at the Engineer's office).

Each bid shall be accompanied by a bid guaranty bond, or a certified or cashier's check payable to the order of the Owner in an amount not less than five percent (5%) of the amount of the bid as a guaranty that the bidder will execute the contract if it be awarded in conformity with the bid form. In lieu of cash or a certified check, the Bidder may submit a bid bond in the form prescribed in G.S. 143-129 as amended by Chapter 1104 of the Public Laws of 1951. The successful bidder will be required to furnish performance and payment bonds, each in an amount not less than one hundred percent (100%) of the contract price.

The Owner reserves the right to reject any or all bids and to determine which bid is, in the Owner's judgment, the lowest responsive bid of a bidder or group of bidders. The Owner also reserves the right to waive any informality in any bid and to delete certain items listed in the bid as set forth therein.

Bids received after the time established for receiving bids will not be considered. Except as provided in paragraph 00200-16.02, no bidder may withdraw his bid after the time established for receiving bids or before the award and execution of the contract, unless the award is delayed for a period exceeding ninety (90) calendar days.

This project is being funded by a loan from the State Revolving Fund program (Project Number: WIF-1907) and Bidders must comply with all applicable State and Federal requirements identified in the bid documents.

Bidders shall follow Davis-Bacon and Related Acts labor provisions, which require all laborers and mechanics employed by contractors and subcontractors be paid wages at rates not less than those listed on the prevailing wage rate contained in the bid documents. All applicable provisions of the Davis-Bacon and Related Acts shall be followed.

Bidders on this work must comply with all applicable governmental and local agency requirements.

Bidders must correctly prepare and submit the documents listed in Section 00410, Bid Form.
