**FIRST FLOOR AND EXTERIOR OF ADMINISTRATION BUILDING**

1.0 A quick question: the RFQ states that “concept drawings have already been developed and will be provided.” Can you provide more information on the extent of those concept drawings, so that our team can get a better understanding of what is expected and how far along GUC already is with this project? [See on GUC Website, Administration Building Proposed Model, Administration Building Up Fit Exterior under #17-65](#)

2.0 Any existing drawings for the building which can be shared? We do a large amount of renovation work and like to review plans as much as possible ahead of an RFQ. [See on GUC Website, Administration Building Proposed Model, Administration Building Up Fit Exterior under #17-65](#)

3.0 A target construction schedule for the 2 parts of the project? [See on GUC Website, Administration Building Proposed Model, Administration Building Up Fit Exterior under #17-65](#)

4.0 To what degree will the building be occupied during the planned construction?
