

Section 00020

INVITATION TO BID

Date: August 9, 2021

Sealed Bids will be received by Greenville Utilities Commission (Owner) at the Wastewater Treatment Plant, 240 Aqua Ln, P.O. Box 1847, North Carolina, 27834 until 2:00 p.m., local time, Thursday, September 9, 2021 for the WWTP Headworks Facility Improvements project.

At said place and time, and promptly thereafter, all Bids that have been duly received will be publicly opened and read aloud.

The proposed Work is generally described as follows:

Base Bid

- Modifications to existing Headworks Facility consisting of the following:
 - Structural rehabilitation consisting of concrete surface repairs and corrosion protection lining of existing interior channels, flumes, tanks; and rehabilitation or replacement of existing metal access covers and supports.
 - Odor control piping modifications.
 - Demolition of existing and installation of new Eutek Headcell in Grit Tank No. 1.
 - Modifications to existing slide gates.
 - Electrical systems rehabilitation consisting of replacement of corroded light poles, fixtures, receptacles, and raceways.
 - Replacement of Electrical Room exterior personnel door and exhaust fan.
- Structural rehabilitation of existing Drain Pumping Station consisting of concrete surface repairs and corrosion protection lining.
- Miscellaneous sitework including demolition, pavement modifications, and yard piping.
- New Headworks Facility permanent bypass main.

Alternative Bid Items

- Temporary Bypass Deductive Alternative.
- 48-inch Plug Valve Deductive Alternative.

All Bids must be in accordance with the Bidding Documents on file with Greenville Utilities Commission, 240 Aqua Ln, Greenville, North Carolina, 27834 and at the office of Black & Veatch International Company, 175 Regency Woods Place, Suite 200, Cary, NC 27518.

Copies of the Bidding Documents have also been provided to the following:

Construct Connect, www.constructconnect.com, 30 Technology Parkway South, Suite 100, Norcross, Georgia 30092, 800-424-3996.

Electronic copies of the Bidding Documents may be obtained from Black & Veatch International Company at no charge by contacting RobaczewskiR@bv.com while printed copies may be obtained at the address indicated herein on the following basis:

	<u>Charge</u>
Complete printed set of Bidding Documents (Includes: Full Size Drawings and Project Manual)	\$100

Charges are not refundable.

Neither Owner nor Engineer has any responsibility for the accuracy, completeness or sufficiency of any bid documents obtained from any source other than the source indicated in these documents. Obtaining these documents from any other source(s) may result in obtaining incomplete and inaccurate information. Obtaining these documents from any source other than directly from the source listed herein may also result in failure to receive any addenda, corrections, or other revisions to these documents that may be issued.

Bidders must be licensed contractors in the State of North Carolina.

Attendance at a pre-Bid conference, as specified in the Instructions to Bidders, is encouraged.

Bids will be received on a lump sum basis, including alternatives as described in the Contract Documents.

Bid security must accompany each Bid.

The Successful Bidder will be required to furnish a construction performance bond and a construction payment bond as security for the faithful performance and the payment of all bills and obligations arising from the performance of the Contract.

Contractor and all Subcontractors will be required to conform to the labor standards and employment requirement set forth in the Contract Documents.

If the Contract is to be awarded, Owner will give the Successful Bidder a Notice of Award within the number of days set forth in the Bid Form for acceptance of the Bid.
