

GREENVILLE UTILITIES COMMISSION

**QUESTIONS AND ANSWERS II FOR RFB 22-63
MULTIPLE HIGH PRESSURE GAS FACILITIES – Radiographic X-Ray Services**

SEPTEMBER 21, 2022

1) I assume all of this piping will be buried?

The project is a City Gate Station, so majority of the pipe will be above ground. For reference, the Issued for Construction drawings have been uploaded to <https://www.guc.com/about-us/doing-business-us/current-bids>.
