

GREENVILLE UTILITIES COMMISSION
QUESTIONS AND ANSWERS FOR 26-30
FOR FLOORING FINISHES
5/26/2026 @ 1:30 PM

1. What is the specific required carpet and LVT products for the Bid?

Attached & on our website are pictures of the carpet tiles and vinyl base that will be used for the third-floor portion of the project. The second-floor carpets are still in the selection process but should be comparable in pricing from what we have narrowed it down to. We have also included the tile and grout to be used in break rooms and restrooms.
