QUESTIONS AND ANSWERS FOR RFB 26-47
FOR CONDUIT
7/7/2026 @ 3:00 PM

1. Will you accept email quotes?

No, please read the instructions in the bid.

2. We plan to bid the 26-47 conduit bid, we recently picked up Omni Pipe. It is new to electric utility but not new to the business. They have traditional been in the C&I electric side and have added significant capacity to support the electric utility market. Would you accept a bid from us and Omni?

Anyone may submit a bid.
