QUESTIONS AND ANSWERS FOR RFB 26-50
FOR CABLE FOR EVANS PH.2
8/20/2026 @ 2:00 PM

1. Will GUC accept other manufactures than the ones listed on pg. 8, or is that list completely restrictive for this bid?

Yes, but this only applies to Underground Cable.

2. When it says 11,397', and quantity 6... does that mean 70,000' total? Or am I supposed to divide the length by the quantity?

Yes. They should provide 6 reels with 11,397 ft which would be roughly 70,000 ft.
