

GREENVILLE UTILITIES COMMISSION
QUESTIONS AND ANSWERS FOR RFB 26-55
FOR PADMOUNT SWITCHGEARS
9/3/2026 @ 2:00 PM

1. G&W can quote the spec, but we will need to take exception to the fuse compartments and offer vacuum fault interrupters as a substitute?

Please refer to the bid document for exceptions.

2. Are you requesting 6 spare fuses for each gear or was the Qty 12 fuses a typo?

Quote as specified.
