

**Greenville Utilities Commission**

**Addendum No. 1**

**RFP – 25-49 Advanced Metering Infrastructure (AMI) Vendor Procurement**

**Issued: 8/19/25**

This Addendum is hereby made part of the RFP documents for the above-referenced project and shall be taken into consideration by all proposers in preparation and submission of proposals.

**Purpose of Addendum**

The purpose of this addendum is to notify all vendors of a revision to the **Pricing Sheet** originally included in the RFP. The revision reflects the inclusion of **Load Control Modules** and **Load Control Module Installation** as part of the required pricing submittal.

**Revisions**

**1. Revised Pricing Sheet**

- A new pricing sheet has been issued as **Section F – Pricing Sheet - Revised**.
- Vendors must use this revised sheet when submitting their proposals.
- The revised sheet includes additional line items for:
  - Electric AMI Meters Worksheet - Load Control Modules
  - Electric Installation Worksheet - Load Control Module Installation

**2. Submission Requirement**

- Proposals submitted without the revised pricing sheet may be deemed non-compliant.
- Vendors are instructed to discard all previous versions of the pricing sheet and ensure the revised form is used.

**Clarifications**

- All other terms, conditions, and requirements of the original RFP remain unchanged.
- Questions regarding this addendum must be submitted in accordance with the instructions provided in the original RFP.

**Acknowledgment of Receipt**

Proposers must acknowledge receipt of this addendum in their proposal submission.
