Section II

Utility Peak Shaving Paralleling Switchgear

Control and Protection Switchgear,
Service entrance rated, including
Air circuit breakers, protective
Relays, Woodward Control System,
Wiring, development of relay settings,
calibration, testing, 3-year warranty,
Training, and field services engineer:

Switchgear Manufacturer:

Section III

Outdoor Sound Attenuated Enclosure

Outdoor Weatherproof, 75 dBA
sound attenuated enclosure of formed
sheet steel or aluminum construction
for engine-generator set, and
accessories:

Total sound pressure at 25 feet:

Structure Material being quoted:

Manufacturer:
