

Q1. How many occupants per building?

A1. Engineering Building (2 story): 143 , Warehouse: 5 , Support Building (long one): 40. These are the normally staffed counts per building. There will be work crews rotating between all buildings depending on work tasks in addition to this.

Q2. Do you want costs for paper products with our proposal?

A2. Yes, please supply a list with the current cost of paper products with your proposal.

Q3. What are the day porter hours and days?

A3. Hours will be from 10:00am until Noon. Days will be Tuesday, Wednesday and Thursday. Please provide the cost for a day porter for a 2hr period. It is likely with COVID we may opt for a day porter Monday and Friday as well until conditions improve.

Q4. Will we be sweeping warehouse and shop floors?

A4. No, floors such as the transformer bay, gas shop, water shop, EDS bay and warehouse bin and rack rooms do not need to be swept. Drawings of all 3 buildings have been provided (yellow shaded areas are areas you do not need to sweep/mop)
