

**QUESTIONS AND ANSWERS FOR:**

**RFP # 20-45, 10/06/2020 FOR**

**RFB FOR FENCING AND INSTALLATION**

1. Please clarify what you are asking us to match, the fence height or the black vinyl chain link, or both? **Black Vinyl Chain Link**
2. Our next question we would like clarification of would be whether the chain link is going through the asphalt? **No, Concrete**
3. Please also clarify for us as well if the fence is going on the concrete, can we use 8"x8" post on plate as this application is within industry standards. **It is going on concrete, but will need more information on the post on plate.**
4. Is the new fence to be topped with 3 strands of barbed wire? **No barbed wire for the fence**
