

GREENVILLE UTILITIES COMMISSION
GREENVILLE, NORTH CAROLINA
QUESTIONS AND ANSWERS FOR RE-BID 20-29 DUE
JULY 2, 2020 @ 3:00 PM (EDST)

1. Can you tell me what your ACTUAL usage has been for the past year on Caustic and Bleach?

The bid volumes are based on a two-year average for caustic and bleach. Raw water quality and water demands cause fluctuations in chemical usage each year. The volumes are projected usage for FY 21.

494 Dry Tons of Caustic

250,000 gallons of Bleach
