

Call 811 Now, Dig Later.

Utility lines are often buried underground. So, if you are planning to dig on your property, call the **North Carolina 811** at least two working days in advance. We'll let you know if there are underground lines you need to avoid.

This phone call could save you from disrupted service, expensive repairs or personal injury. Before you dig, call **NC 811**, Monday through Friday between 7 a.m. - 7 p.m. (excluding holidays). **NC 811** is available for emergency locate requests 24/7. For more information, visit www.nc811.org.
