Neighbor To Neighbor

Your dollars can go
a long way ...

For most of us, tales of cold winter nights conjure warm memories of grabbing a sweater, turning up the thermostat and curling up in front of a cozy fireplace. However, bone-chilling temperatures can create a harsh reality for many whose budgets don't stretch far enough to pay for heating bills. To help those in need, Greenville Utilities created the Neighbor to Neighbor Assistance Program to provide funds to our residential customers who need temporary help paying their heating bills.

The Neighbor to Neighbor Assistance Program is supported by voluntary donations from people like you. And Greenville Utilities contributes up to \$10,000 per year in matching funds. The funds are used to pay for all types of fuels used to heat homes -- kerosene, oil, natural gas, electric heat, wood, etc.

Recipients of the funds are determined by Pitt County Department of Social Services' caseworkers. DSS screens applicants, determines eligibility and distributes the funds (up to \$200/year per eligible household) during the heating season – November through March.

Arrange for your monthly tax deductible donation of \$1, \$2, \$5, \$10, \$15, \$20 (or more) to be added to your Greenville Utilities' bill year-round, or make a lump sum donation (check or cash). Checks should be made payable to Greenville Utilities, noting that it is for the Neighbor to Neighbor Program on the check.

Sign up for the program in one of three ways:

1. **BY TELEPHONE:** Call GUC at 752-7166 and arrange for your contribution by phone.
2. **IN PERSON:** Come in person to our Main Office at 401 South Greene Street or to our branch office, GUC Express at 509 SE Greenville Boulevard and sign up to make your donation.
3. **BY MAIL:** Fill out and send in the attached Neighbor to Neighbor sign-up form. Forms are also available on our website (www.guc.com).

As a local utility, we are part of this community and pride ourselves on being a good neighbor. We feel this program provides the means to meet a real need. Don't let your neighbors be left out in the cold this winter. Join Greenville Utilities in supporting those in need. If everyone gives a little, it will make a big difference!
