Chair Darden called the meeting to order. Secretary Griffin ascertained that a quorum was present.

ACCEPTANCE OF THE AGENDA

Chair Darden stated that the agenda needs to be amended to accommodate a public comment period. A motion was made by Mr. Jones, seconded by Mr. Stoughton, to accept the agenda as amended. The motion carried unanimously.

SAFETY BRIEF AND MOMENT

Mr. Kevin Keyzer, Operations Support Manager, provided a safety brief and explained the plan of action should there be an emergency at today's meeting. Mr. Keyzer provided a safety moment on backing vehicles and offered four tips to decrease the risk and exposure of vehicle accidents.

NEIGHBOR TO NEIGHBOR PROGRAM UPDATE

Mr. Scott Mullis, Director of Customer Relations, stated that the Neighbor-to-Neighbor program has helped a number of Pitt County residents. He reminded the Board that this program meets local needs by providing funds to assist low-income families in Pitt County with their heating

bills. The program is administered through the Department of Social Services and offers up to \$200 for heating assistance per year to approved families.

The First Presbyterian Women were recognized for their fundraising efforts supporting GUC's Neighbor-to-Neighbor program. This year the First Presbyterian Women raised \$7,500. Since the beginning of the GUC Neighbor to Neighbor program in 2001, their fundraising efforts, along with GUC's matching funds total more than \$366,984 for the program. Mr. Mullis welcomed Kim Bell and thanked her and the First Presbyterian Women for their service and continued support.

PUBLIC COMMENT PERIOD

Chair Darden opened the public comment period at 12:06 p.m. and explained the procedures to be followed by anyone who wished to speak.

Paul Gemperline, Greenville, North Carolina

Mr. Paul Gemperline lives in Greenville, North Carolina and would like to discuss his concern with solar energy and ask GUC to reconsider rate plans for residential solar customers which includes a demand charge.

Mr. Gemperline thanked Electric Engineer I Jacob Barnes for walking him through the two solar rate plans and acknowledged that GUC provides low electric rates for residential customers with excellent reliability. He understands the costs to operate its distribution system must be recovered through reasonable charges to its customers and that it would be unfair for non-solar customers to subsidize residential solar customers.

He recently secured quotes to purchase a solar rooftop system for his home and after-tax credits the payback period would be 13.6 years. However, the estimate did not include the demand charge from GUC. With additional calculations, the new payback period would be at least 25 years. He thanked Commissioner Peter Geiger who took time to discuss solar rates with him and noted that Commissioner Geiger reviewed the calculations and agreed they were reasonable.

Mr. Gemperline would like to encourage GUC to:

- 1. Study financial models for residential solar rate and answer the question "what are the increased costs that GUC would incur if he switched from residential to residential solar that must be recouped by a demand fee?"
- 2. Duke and other energy providers in the state provide favorable net metering similar to GUC except they do not have a demand charge, so why does GUC need to include a demand charge?
- 3. What are the financial models used by their regulator, the NC Public Utility Commission, when they negotiate and set their rates?

There being no other guests who wished to speak during the public comment period, Chair Darden closed the public comment period at 12:09 p.m.

CONSENT AGENDA

Mr. Tony Cannon, General Manager/CEO, presented the following items for approval on the consent agenda:

(Agenda Item 1) Approval of Minutes - Regular Meeting: March 16, 2023

(Agenda Item 2) Resolution for Designating Authorized Representatives for Federal Emergency Management Agency (FEMA) Reporting

(Agenda Item 3) Consideration of Approval of Resolution for \$400,000 Water Grant and Associated Budget Amendment to Water Capital Project (WCP 10030) GUC Distribution System Improvements Study

A motion was made by Mr. Blount, seconded by Mr. Jones, to approve the consent agenda as presented. The motion carried unanimously.

Mr. Jeff McCauley, Chief Financial Officer, provided a presentation on the Financial Statement for March 31, 2023.

The weather impact for the month of March 2023 indicated that the March Heating degree days were higher than last year and the Cooling Degrees for lower than last year. The March rainfall was approximately 2.57 inches which was more than last year. The portfolio earned 2.93% for the month of March.

Overall year-to-date results through the end of March remain stable. The Electric Rate Stabilization Reserves are approximately \$22.4 million, and the Gas Rate Stabilization Reserves are \$3.8 million. The Operating Reserves are 127 Days Cash on Hand, and Renewals and Replacements Reserves are approximately \$2.6 million. The Capital Project Funds Reserved for Existing and Future Capital Projects are approximately \$30.1 million.

After discussion, a motion was made by Mr. Jones, seconded Mr. Blount, to accept the March 31, 2023, Financial Report. The motion carried unanimously.

CONSIDERATION OF ADOPTION OF PRELIMINARY FY 2023-2024 BUDGET (Agenda Item 5)

Mr. Cannon reminded the Board that at the March 16, 2023, Board meeting, a presentation was provided to the Board that focused on the end-of-year performance for FY 2022-23, the principal elements of the preliminary FY 2023-24 budget, GUC's five-year capital improvement plan, and long-term financial forecast. The current year projections, ending on June 30, 2023, have been updated based on actuals thru month of March. All four funds are balanced with the use of rate stabilization.

Proposed FY 20023-24 Budget

Highlights of the FY 2023-24 proposed budget are listed below:

- Expenditures budgeted for FY 2023-24 have increased by 2.3%, or \$6.6M, when compared to the FY 2022-23 budget. Key points are:
 - o \$4.8M increase in operations
 - o \$2.8M increase in purchased power
 - o \$2.3M increase in capital outlay
 - o \$2.8M decrease in purchased gas
 - o \$2.2M increase in debt service
 - o \$2.8M decrease in transfers to capital projects
- No rate adjustment for the Electric Fund, the same as last year's forecast
- 4.0% rate increase for the Water Fund, a 0.1% reduction from last year's forecast
- \bullet No rate adjustment for the Sewer Fund, a 1.1% reduction from last year's forecast
- 5.5% rate increase for the Gas Fund, a 1.8% increase from last year's forecast
- Funding for a 2.0% employee merit/market adjustment
- Continuation of a self-insured health insurance plan which includes a high deductible Health Savings Account option
- Continuation of self-insured dental insurance plan
- Funding to hire replacements prior to the retirement of key personnel to facilitate succession planning, leverage the knowledge and experience of long-term employees for training on critical issues and ensure smooth transitions
- Continuation of investment in the Greenville ENC Alliance to promote economic development in our region
- Transfer to Other Post-Employment Benefits (OPEB) of \$500K
- Transfer of \$150K to City's housing energy conservation program
- Investment of \$16.9M for capital outlay to maintain system reliability and comply with regulatory requirements
- Annual turnover or transfer of \$7.1M to the City of Greenville in accordance with the Charter issued by the North Carolina General Assembly

Highlights of the FY 2023-24 capital budget are listed below:

• GUC continues to make investments in capital projects to maintain reliability, meet ongoing regulatory requirements, and remain strategically positioned to facilitate growth. To that end, in FY 2023-24, GUC will be establishing capital projects totaling \$6.5M.

Project Type	Project Description	Project Amount
Electric	Hudson's Crossroads Substation	\$4,000,000
Water	WTP Lab Upgrades	\$1,000,000
Gas	Gas System Improvements for Industry and	\$1,500,000
	Commercial	
	<u>Total</u>	<u>\$6,500,000</u>

Additional components of the budget include:

- Proposed revisions for LED street lighting installations to Part A Terms and Conditions for Electric Service
- Proposed revisions for new service taps to Part C Terms and Conditions of Water and/or Sewer Service
- Proposed revisions to Temporary Water Service to Part C Terms and Conditions of Water and/or Sewer Service
- Proposed revision to Installment Pay Plan to Part D Customer Service Policy
- Electric Rate Stabilization Reserves via Rate Stabilization Fund(s)
- Electric Rate Design Modifications
- Residential Time-of-Use with Demand Net Metering for Solar Energy Facilities
- Electric Fee Adjustments-outdoor lighting, temporary service, underground residential and commercial service installations
- Water Rate Design Modifications
- Bethel Water Monthly Surcharge increase from \$15.50 to \$16.41
- Water and Sewer System Development Fees, Tap Fees, and other miscellaneous Fees

- Gas Rate Stabilization Reserves via Rate Stabilization Fund(s)
- Gas Cut-on gas service fee and meter delivery pressure change fee

Long-term Financial Forecast

Mr. Cannon reviewed the long-term financial forecast that included the five-year plan through FY 2027-28.

Mr. Cannon noted that pending the Board's approval of adoption, the preliminary balanced budget will be presented to the City Council on May 11. Final adoption of the FY 2023-24 budget will be considered at the Board's June 8 meeting, with final consideration by the City Council scheduled for June 8.

After discussion, a motion was made by Mr. Griffin, seconded by Mr. Stoughton, to adopt the Preliminary FY 2023-2024 Budget and recommend similar action by City council. The motion carried unanimously.

<u>UPDATE FROM CITY OF GREENVILLE ENVIRONMENTAL ADVISORY COMMISSION</u> (Agenda Item 6)

At 12:31 p.m. Chair Darden welcomed Dr. Robert Shaw and Dr. Jeff McKinnon who asked to speak to the Board of Commissioners and provide an update from the City of Greenville Environmental Advisory Commission (EAC).

Dr. Robert Shaw, City of Greenville Environmental Advisory Commission Chairman, provided an update on the need for more solar power and less natural gas in Greenville. Dr. Shaw stated that he met with GUC staff on January 23rd where he reported there are relatively few residential solar installations in Greenville due to the rate structure for residential solar and added that Mr. Gemperline outlined this very well in his comments earlier. Dr. Shaw recommends that solar panel owners not be charged a new fee. He believes that improving the financial incentive for residential solar fits GUC's mission statement. He noted that he will now take time to review what Mr. Cannon just presented during his budget presentation on the rate structure and fee changes and he would like to meet with someone about the changes on solar financial structure to learn the details of this plan.

Dr. Jeff McKinnon stated that his EAC colleague, Yoshi Newman, is also here with him and he will address their concern of GUC promoting natural gas usage on the GUC website.

First, he asked that GUC correct, what he feels, are inaccuracies and omissions on the website that do not mention that natural gas is a fossil fuel and generates carbon dioxide and correct communications that encourage customers to install natural gas fixtures instead of electrical fixtures. He feels encouraging customers to use natural gas fixtures instead of electrical will cause long term harm for many years and exacerbate global warming impacts. On the website there is no mention of federal tax refunds for replacing natural gas for home and water heating with electricity. He recommends GUC not pay for advertising or fund public relations activities that tend to increase sales and consumption of natural gas.

He suggests that GUC publicize the tax credits available and to update website on sources of GUC electricity.

The update from the EAC ended at 12:38 p.m.

<u>UPDATE FROM THE JOINT PAY AND BENEFITS COMMITTEE MEETING (Agenda Item 7)</u>

Commissioner Lindsey Griffin announced that the Joint Pay and Benefits Committee met on March 21 with representatives from both GUC and the City of Greenville. Members of the Committee are himself and GUC Commissioner Peter Geiger; and City Council Members Rick Smiley and Mayor Pro-tem Rose Glover. Mayor Pro-tem was absent.

The Joint Committee approved three recommendations for consideration by the GUC Board and City Council.

- 1. approve a 2.0% pay adjustment to fund merit/market for FY 2023-24
- 2. approve a 2.0% salary structure adjustment for FY 2023-24
- 3. approve an adjustment of vacation accrual rates to aid with recruitment and retention as follows:

Hours Accrued Based on years of Service:

	5 years	10 years	15 years	20 years
Current	120	144	144	168
Recommended	132	156	180	204

Commissioner Griffin announced that the Joint Meeting with the City of Greenville is scheduled for Monday, April 24, 2023, at 6:00 p.m. in the City Council Chambers.

GENERAL MANAGER'S/CEO REPORT (Agenda Item 8)

1. Informational Reading

Bids, Statistical Data Report, Sewer Spill Tracking Report, Load Management Report, and PGA Report were provided.

2. <u>Key Performance Indicators (KPIs)</u>

The Corporate KPI report was provided.

3. Commendations

- Customer Jane Cartwright called Station One Control Room Operator Sharon Camacho complimenting Chris Rouse, Josh Harrell, Blake Beddard, Carson Knight, and Allen Brooks for providing excellent customer service while working in and around her yard. She stated that they were some of the nicest people she had met, and she really appreciated their hard work. Employees' Name: Gas Systems Crew Leader II Chris Rouse, Gas Systems Technician II Josh Harrell, Gas System Technician II Blake Beddard, Gas Systems Technician II Carson Knight, and Gas System Technician I Allen Brooks
- The General Manager's Office received a thank you card from Ms. Susan Keller complimenting Tracy Colville, Alvin Davis, and Alex Congleton. She wrote, "Thank you for your prompt and thorough attention to the water meter I reported. GUC is the best! Thanks to your great staff!" Employees' Name: Water Resources Systems O/M Crew Leader I Tracy Colville, Water Resources O/M Systems Technician II Alvin Davis, and Water Resources Systems Technician II Alex Congleton.

4. Other

- Mr. Cannon shared that the gas system underwent an inspection for pipeline public awareness. It was a clean inspection with no violations. He congratulated Director of Gas Systems Anthony Miller and Communications Manager/PIO Steve Hawley and their teams.
- The Environmental Protection Agency (EPA) just announced a dramatic decrease in what they're considering a "safe" level of certain PFAS in drinking water. PFAS (Per- and poly-fluoroalkyl substances) is a group of manmade chemicals used in manufacturing around the globe that include PFOA, PFOS, GenX, and many other chemicals. The EPA first issued an advisory level in 2016 and GUC has been monitoring this since 2018 and is well below EPA advisory level. GUC will continue to monitor PFAS levels to ensure safe drinking water for consumers. In addition, the recent upgrade at the Water Treatment Plant will help GUC to do an even better job in removing PFAS from drinking water.
- There will be a public hearing at next month's meeting regarding system development fee analysis.

BOARD CHAIR'S REMARKS/REPORT (Agenda Item 9)

Chair Darden thanked Ms. Bell for the donations and efforts of the First Presbyterian Church, and he thanked Mr. Gemperline, Dr. Shaw, and Dr. McKinnon for bringing their thoughts to the Board of Commissioners.

Chair Darden shared the approved minutes dated August 29, 2022, and September 12, 2022, from the Joint Pay and Benefits Committee meeting in March. He announced the Joint GUC and City of Greenville Meeting is scheduled for Monday, April 24, 2023, at 6:00 p.m. at City Hall and the GUC Regular Board meeting is scheduled for Thursday, May 18, 2023, at 12:00 noon.

BOARD MEMBER REMARKS:

Commissioner Tommy Stoughton thanked the guests speaking about green energy initiatives and he asked staff to present, at a future board meeting, the efforts performed in maintaining sustainable and environmentally friendly policies so that the Board of Commissioners would be able to share and inform others what GUC is doing on these efforts.

Ferrell Blount would like to see a review of GUC's practices that ensure one class of service customer rates do not subsidize another class of customer.

unanimously agreed to adjourn the Board of Comm	issioners meeting at 12:46 p.m.				
Respectfully submitted,					
APPROVED:	Amy Wade, Executive Secretary				

There being no further business to come before the Board of Commissioners in Regular Session,

upon motion by Mr. Jones, seconded by Mr. Stoughton, the Board of Commissioners

Lindsey Griffin, Secretary

Agenda Item # 2

Meeting Date: May 18, 2023

Item: Recommended Approval of a Joint Development and Funding

Agreement by and among the City of Greenville, NC, Greenville ENC

Alliance and Greenville Utilities Commission

Contact: Tony Cannon

Explanation: Greenville-ENC Alliance, (the Alliance) was established to lead economic

development efforts county-wide. Research shows that the greatest challenge facing economic development is the lack of buildings which are ready for occupancy. The Alliance owns land in the Indigreen Industrial Park within the City's extraterritorial jurisdiction and desires to construct a shell building that will help attract business and industry to the region and

meet the space of potential customers.

The City, Alliance and GUC desire to enter into a Joint Development and Funding Agreement. The Alliance desires to obtain from the City and GUC annual amounts equally split and not to exceed approximately One Million Dollars per entity for the cost of carry of the shell building, (up to \$150,000.00 per year for up to 7 years) including loan administration, interest carry, construction/project management, marketing, insurance, maintenance, and utilities for a shell building on the property located in the Indigreen Industrial Park. Such funds are not to be considered as a guaranty of any loan the Alliance may receive form a bank to construct the building.

Strategic Plan Elements:

<u>Section V: Distribution</u>. Copies of this ordinance shall be furnished to the General Manager/CEO and the Chief Financial Officer of the Greenville Utilities Commission, and the Director of Financial Services of the City of Greenville to be kept on file by them for their direction in

(d) Capital Projects listed in section III may be amended on an individual project basis.

RESOLUTION RECOMMENDING TO THE CITY COUNCIL ADOPTION OF A RESOLUTION PROVIDING FOR THE REIMBURSEMENT TO THE GREENVILLE UTILITIES COMMISSION, OF THE CITY OF GREENVILLE, NORTH CAROLINA, A BODY POLITIC DULY CHARTERED BY THE STATE OF NORTH CAROLINA, FROM THE PROCEEDS OF ONE OR MORE FINANCING(S) FOR THE EXPENDITURE OF FUNDS FOR CERTAIN IMPROVEMENTS TO THE COMBINED ENTERPRISE SYSTEM

WHEREAS, in accordance with Chapter 861 of the 1991 Session Laws of North Carolina, the Greenville Utilities Commission (the "Commission") has been created for the proper management of the public utilities of the City of Greenville, North Carolina (the "City"), comprising an electric system, a natural gas system, a sanitary sewer system and a water system within and without the corporate limits of the City, (collectively the "Combined Enterprise System") with responsibility for the entire supervision and control of the management, operation, maintenance, improvement and extension of the Combined Enterprise System;

WHEREAS, Section 1.150-2 of the Treasury Regulations prescribes specific procedures which will be applicable to certain bonds, notes or other indebtedness ("Debt") issued by or on behalf of the Commission and the City including, without limitation, a requirement that the City declare official intent to reimburse certain expenditures with proceeds of Debt to be incurred prior to, or within sixty (60) days of, payment of the expenditures to be reimbursed;

WHEREAS, the Commission has identified certain improvements (the "Additional Improvements") to the Combined Enterprise System that have been and must be funded from available funds pending reimbursement from the proceeds of Debt to be issued for such purposes;

WHEREAS, the Additional Improvements consist of an electric substation transmission loop, electric system expansion, lagoon and pump station improvements, and a clarifier replacement project; now, therefore,

BE IT RESOLVED BY THE GREENVILLE UTILITIES COMMISSION as follows;

- 1. The City is hereby requested to give favorable consideration to and pass the proposed resolution, which resolution (the "Reimbursement Resolution") effectively would provide for the reimbursement to the Commission from the proceeds of one or more Debt financing(s) (estimated to be \$23,341,700) for certain expenditures for the Additional Improvements made not more than 60 days prior to the adoption of the Reimbursement Resolution, the Commission having determined that such adoption will be in the best interests of the Combined Enterprise System.
- 2. This resolution shall take effect immediately upon its passage, and a certified copy thereof shall be provided to the City Clerk for presentation to the City Council at its next regularly scheduled meeting.

Adopted this the 18^{th} day of May, 2023.

RESOLUTION NO. 23-

RESOLUTION DECLARING THE INTENTION OF THE CITY COUNCIL OF THE CITY OF GREENVILLE TO REIMBURSE THE GREENVILLE UTILITIES COMMISSION, OF THE CITY OF GREENVILLE, NORTH CAROLINA, A BODY POLITIC DULY CHARTERED BY THE STATE OF NORTH CAROLINA, FROM THE PROCEEDS OF ONE OR MORE FINANCING(S) FOR CERTAIN EXPENDITURES MADE AND TO BE MADE IN CONNECTION WITH THE ACQUISITION AND CONSTRUCTION OF CERTAIN IMPROVEMENTS

WHEREAS, in accordance with Chapter 861 of the 1991 Session Laws of North Carolina, the Greenville Utilities Commission (the "Commission") has been created for the proper management of the public utilities of the City of Greenville, North Carolina (the "City"), comprising an electric system, a natural gas system, a sanitary sewer system and a water system within and without the corporate limits of the City, (collectively the "Combined Enterprise System") with responsibility for the entire supervision and control of the management, operation, maintenance, improvement and extension of the Combined Enterprise System; and

WHEREAS, Section 1.150-2 of the Treasury Regulations (the "Regulations") prescribes specific procedures which will be applicable to certain bonds, notes or other indebtedness ("Debt") issued by or on behalf of the Commission and the City including, without limitation, a requirement that the City declare official intent to reimburse certain expenditures with proceeds of Debt to be incurred prior to, or within sixty (60) days of, payment of the expenditures to be reimbursed;

WHEREAS, the Commission has determined to pay certain expenditures (the "Expenditures") incurred no more than 60 days prior to the date hereof and thereafter relating to the acquisition and construction of certain improvements (collectively, the "Additional Improvements") more fully described below;

WHEREAS, the Additional Improvements consist of an electric substation transmission loop, electric system expansion, lagoon and pump station improvements, and a clarifier replacement project; and

WHEREAS, the City Council of the City has determined that those moneys previously advanced by the Commission no more than 60 days prior to the date hereof to pay such Expenditures are available only on a temporary period and that it is necessary to reimburse the Commission for the Expenditures from the proceeds of one or more issues of Debt;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL as follows:

- <u>Section 1</u>. The City hereby declares concurrence with the Commission's intent to reimburse the Commission from the proceeds of the Debt for the Expenditures made with respect to the Additional Improvements no more than 60 days prior to the date hereof and thereafter.
- Section 2. Each Expenditure was or will be either (a) of a type chargeable to capital account under general federal income tax principles (determined as of the date of the Expenditures), (b) the cost of issuance with respect to the Debt, (c) a non-recurring item that is not customarily payable from current revenues of the Combined Enterprise System, or (d) a grant to a

party that is not related to or an agent of the Commission or City so long as such grant does not impose any obligation or condition (directly or indirectly) to repay any amount to or for the benefit of the Commission or City.

<u>Section 3</u>. The principal amount of the Debt estimated to be issued to reimburse the Commission for Expenditures for the Additional Improvements is estimated to be not more than \$23,341,700.

Section 4. The Commission and the City will make a reimbursement allocation, which is a written allocation by the Commission and the City that evidences the Commission's use of proceeds of the Debt to reimburse an Expenditure no later than 18 months after the later of the date on which such Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three years after the date on which the Expenditure is paid. The City recognizes that exceptions are available for certain "preliminary expenditures," costs of issuance, certain deminimis amounts, (expenditures by "small issuers" based on the year of issuance and not the year of expenditure), and expenditures for construction projects of at least 5 years.

<u>Section 5</u>. This declaration of official intent is made pursuant to Section 1.150-2 of the Treasury Regulations.

Section 6. The resolution shall take effect immediately upon its passage.

Adopted this the 5th day of June, 2023.

Remarks: Lou Norris, Secretary to the General Manager/CEO, received a text message from

Mr. Brad Griffin complimenting Mandy and field technician that responded to his email that he

sent to the hotline. He wrote, "Hi, Lou, I wanted to send you a GUC fan letter. Maybe you can

pass it on. I emailed the GUC hotline last night at 1:15 a.m. because we've had some

intermittent partial power issues last couple of days. Last night stuff was cutting on and off like

crazy. Just some circuits at various times. GUC came first thing this morning and fixed it right

away. I got a call from Mandy in customer service, and a call from the technician in the field

when he was done. Just amazing service!"

GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 1991

CHAPTER 861 SENATE BILL 1069

AN ACT TO AMEND AND RESTATE THE CHARTER OF THE GREENVILLE UTILITIES COMMISSION OF THE CITY OF GREENVILLE.

The General Assembly of North Carolina enacts:

Section 1. For the proper management of the public utilities of the City of Greenville, both within the corporate limits of the City and outside the said corporate limits, a commission to be designated and known as the "Greenville Utilities Commission", is hereby created and established.

Sec. 2. The Greenville Utilities Commission shall consist of eight members, six of whom shall be bona fide residents of the City of whom one shall at all times be the City Manager of Greenville, and two of whom shall be bona fide residents of Pitt County but residing outside the city limits of Greenville, and all of whom shall be customers of the Greenville Utilities Commission. Each Greenville Utilities Commissioner shall hold office for an initial term of three years and, except as set forth herein, will be automatically reappointed to a single additional term of three years, with each term of three years expiring June 30 at the end of the designated term or until reappointed or replaced by the City Council. The first appointees shall hold their offices as follows: the Greenville City Council shall appoint an individual to serve until June 30, 1995; John W. Hughes, Sr. is hereby appointed a Greenville Utilities Commissioner to serve until June 30, 1995, and shall not be eligible for a second term; Bernard E. Kane is hereby appointed a Greenville Utilities Commissioner to serve until June 30, 1995; R. Richard Miller is hereby appointed a Greenville Utilities Commissioner to serve until June 30, 1994, and shall not be eligible for a second term; and the Greenville City Council shall appoint an individual to serve until June 30, 1993; all of whom are bona fide residents of the City. William G. Blount is hereby appointed a Greenville Utilities Commissioner to serve until June 30, 1993, and shall not be eligible for a second term; and the Pitt County Board of Commissioners shall nominate an individual under the procedure established in Section 3 of this act, to be appointed by the Greenville City Council to serve until June 30, 1994; both of whom are Greenville Utilities Commission customers and bona fide residents of Pitt County residing outside the Greenville city limits.

Sec. 3. The Greenville Utilities Commissioners otherwise than as herein provided shall be appointed by the City Council at their regularly monthly meeting in June of each year. It is the intention of this charter that the City Council shall appoint Greenville Utilities Commission members who have utilities expertise. Representation should include some members with financial, engineering, environmental, technical, or

development backgrounds. The two members of the Greenville Utilities Commission residing outside the city limits shall be nominated by the Pitt County Board of Commissioners and appointed by the City Council. The City Council has the right to reject any nominee(s) from the Pitt County Board of Commissioners and to request additional nominees. If the Pitt County Board of Commissioners fails to recommend a nominee to the City Council within 60 days of the original date requested by the City Council, then the City Council may appoint any individual meeting the residency requirement. No person shall be eligible for appointment to the Greenville Utilities Commission who is an officer or employee of the City or Pitt County except that the City Manager of the City of Greenville shall at all times be a full member of the Greenville Utilities Commission. In the event a Greenville Utilities Commissioner resigns, dies, or otherwise becomes incapable of performing his or her duties, the City Council shall appoint, according to the same process described herein for regular appointments, a Greenville Utilities Commissioner to fill the unexpired term at any regular or special meeting of the City Council. Any Greenville Utilities Commissioner filling an unexpired term shall be deemed to have filled said term for the full three-year term. Except as otherwise permitted herein, no Greenville Utilities Commissioner shall serve more than two three-year terms. Greenville Utilities Commissioners filling the first three-year term will automatically fill a second three-year term unless the City Council initiates the replacement process.

Sec. 4. The Greenville Utilities Commissioners shall organize by electing one of their members Chair, whose term of office as Chair shall be for one year unless the Chair's term on the Greenville Utilities Commission shall expire earlier, in which event his or her term as Chair shall expire with the Chair's term on the Greenville Utilities Commission. The Chair shall not be entitled to vote on any proposition before the Greenville Utilities Commission except in case of a tie vote and only for the purpose of breaking the tie. The members of the Greenville Utilities Commission are authorized to fix their own salaries provided, however, that said salaries shall not exceed one hundred fifty dollars (\$150.00) per month for the members and two hundred fifty dollars (\$250.00) per month for the Chair provided, however, the City Council may, at its own discretion, increase these caps from time to time as is appropriate to reflect inflation, and provided, however, the City Manager shall receive no pay as a member of the Greenville Utilities Commission other than his or her salary as City Manager. The Greenville Utilities Commission shall meet at least once each month at a designated time and place unless the Chair designates some other meeting time and so notifies the other members of the Greenville Utilities Commission. The Greenville Utilities Commission and the Greenville City Council shall meet at least once each year to discuss mutual interests of the City of Greenville and the Greenville Utilities Commission. Minutes shall be kept for all regular meetings of the Greenville Utilities Commission.

Sec. 5. The Greenville Utilities Commission shall have entire supervision and control of the management, operation, maintenance, improvement, and extension of the public utilities of the City, which public utilities shall include electric, natural gas, water, and sewer services, and shall fix uniform rates for all services rendered;

Page 2 S.L. 1991-861 Senate Bill 1069

provided, however, that any person affected by said rates may appeal from the decision of the Greenville Utilities Commission as to rates to the City Council. With approval by the City Council, the Greenville Utilities Commission may undertake any additional public enterprise service which may lawfully be operated by a municipality.

Sec. 6. The Greenville Utilities Commission shall employ a competent and qualified General Manager whose duties shall be to supervise and manage the said public utilities, subject to the approval of the Greenville Utilities Commission. The General Manager, under the direction of and subject to the approval of the Greenville Utilities Commission, shall cause the said utilities to be orderly and properly conducted; the General Manager shall provide for the operation, maintenance, and improvement of utilities; the General Manager shall provide for the extension of all utilities, except sewer extensions made beyond the area regulated by the City of Greenville are subject to the approval of the City Council, and shall furnish, on application, proper connections and service to all citizens and inhabitants who make proper application for the same, and shall in all respects provide adequate service for the said utilities to the customers thereof; the General Manager shall attend to all complaints as to defective service and shall cause the same to be remedied, and otherwise manage and control said utilities for the best interests of the City of Greenville and the customers receiving service, and shall provide for the prompt collection of all rentals and charges for service to customers and shall promptly and faithfully cause said rentals and charges to be collected and received, all under such rules and regulations as the Greenville Utilities Commission shall, from time to time, adopt and in accordance with the ordinances of the City of Greenville in such case made and provided.

Sec. 7. All monies accruing from the charges or rentals of said utilities shall be deposited into the appropriate enterprise fund of the Greenville Utilities Commission and the Greenville Utilities Commission's Director of Finance shall keep an account of the same. The Greenville Utilities Commission shall at the end of each month make a report to the City Council of its receipts and disbursements; the Greenville Utilities Commission shall pay out of its receipts the cost and expense incurred in managing, operating, improving, maintaining, extending, and planning for future improvements and expansions of said utilities; provided, however, that should the funds arising from the charges and rentals of said utilities be insufficient at any time to pay the necessary expenses for managing, operating, improving, and extending said utilities, then and in that event only, the City Council of the City of Greenville shall provide and pay into the appropriate enterprise fund of the Greenville Utilities Commission a sum sufficient, when added to the funds that have accrued from the rents and charges, to pay the costs and expenses of managing, operating, improving, maintaining, extending, and planning for future improvements and expansions of said utilities; the Greenville Utilities Commission shall pay the principal on all such funds provided by the City Council with interest thereon; provided, further, that the Greenville Utilities Commission shall annually transfer to the City, unless reduced by the City Council, an amount equal to six percent (6%) of the difference between the electric and natural gas system's net fixed assets and total bonded indebtedness plus annually transfer an amount equal to fifty percent (50%) of the Greenville Utilities Commission's retail cost of service for the City of Greenville's public lighting. Public lighting is defined herein to mean City of Greenville street lights and City of Greenville Parks and Recreation Department recreational outdoor lighting. The preparation of a joint financial audit of the City of Greenville and the Greenville Utilities Commission operations by a single auditing firm is intended under the provisions of this charter and existing North Carolina statutes.

Sec. 8. In compliance with the time requirements of Chapter 159 of the General Statutes, the Greenville Utilities Commission shall prepare and submit to the City Council, for approval, a budget for the coming year showing its estimated revenue, expenses, capital expenditures, debt service, and turnover to the City of Greenville. In addition, the budget ordinance must identify construction projects of the Greenville Utilities Commission which include individual contracts in excess of one-half of one percent (½%) of the Greenville Utilities Commission's annual budget. City Council approval of the Greenville Utilities Commission's budget will constitute approval of projects so identified and the contracts contained therein. Contracts in excess of one-half of one percent (½%) of the Greenville Utilities Commission's annual budget not so identified and approved in the budget ordinance will require separate City Council approval.

Sec. 9. The Greenville Utilities Commission shall approve the employment and remuneration of all officers, agents, independent contractors, and employees necessary and requisite to manage, operate, maintain, improve, and extend the service of said utilities. It is, however, the intention of this Charter that the Greenville Utilities Commission and the City of Greenville will implement and maintain mutual pay plans, personnel policies, and benefits for their respective employees. The Greenville Utilities Commission may require bond in such sum as it may deem necessary, which shall be approved by the City Council, of all officers, agents, and employees having authority to receive money for the Greenville Utilities Commission. The Greenville Utilities Commission shall have the authority to name and designate a person in its employ as secretary of the Greenville Utilities Commission.

Sec. 10. The Greenville Utilities Commission shall have authority at all times to discharge and remove any officer, agent, independent contractor, or employee of the Greenville Utilities Commission.

Sec. 11. All laws and clauses of laws in conflict with this act are hereby repealed, expressly including Chapter 146 of the Public-Local Laws of 1941, entitled "AN ACT TO PROVIDE A PERMANENT UTILITIES COMMISSION FOR THE CITY OF GREENVILLE, IN PITT COUNTY, AND TO REPEAL CHAPTER TWO HUNDRED AND ELEVEN OF THE PRIVATE LAWS OF ONE THOUSAND NINE HUNDRED AND FIVE, AND AMENDMENTS THERETO, RELATING TO THE WATER AND LIGHT COMMISSION OF THE CITY OF GREENVILLE.", except that this act does not revive any act repealed by that act.

The purpose of this act is to revise the charter of the Greenville Utilities Commission and to consolidate herein certain acts concerning the Greenville Utilities Commission. It is intended to continue without interruption those provisions of prior acts which are consolidated into this act so that all rights and liabilities that have accrued are preserved and may be enforced. This act shall not be deemed to repeal,

Page 4 S.L. 1991-861 Senate Bill 1069

modify, or in any manner affect any act validating, confirming, approving, or legalizing official proceedings, actions, contracts, or obligations of any kind.

No provision of this act is intended nor shall be construed to affect in any way any rights or interest, whether public or private:

- (1) Now vested or accrued in whole or in part, the validity of which might be sustained or preserved by reference to law to any provisions of law repealed by this act.
- (2) Derived from or which might be sustained or preserved in reliance upon action heretofore taken pursuant to or within the scope of any provisions of law repealed by this act.

All existing ordinances of the City of Greenville and all existing rules and regulations of the Greenville Utilities Commission not inconsistent with provisions of this act shall continue in full force and effect until repealed, modified, or amended.

No action or proceeding of any nature, whether civil or criminal, judicial or administrative, or otherwise pending at the effective date of this act by or against the City of Greenville or the Greenville Utilities Commission shall be abated or otherwise affected by the adoption of this act. If any provisions of this act or the application thereof to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this act which can be given effect without the invalid provision or application, and to this end the provisions of this act are declared to be severable.

Sec. 12. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 7th day of July, 1992.
